For the third consecutive year, ARQANA joined up with David Lumet to organise the Lumet Show, a unique event in Europe.

Postponed until the end of August due to the current health crisis, the 2020 edition started at 9.30am with the presentation of the lots over jumps. A total of 61 pre-trained two and three-year-olds were on show, before going under the hammer in the afternoon.

Final figures revealed 41 lots having changed hands (69%), up five points, for an average of €14,440 (an increase of five per cent from 2019), for a total turnover of €605,500 (+16%).

It was agent Joffret Huet that ended the day as leading buyer, signing for eight lots for a total of €165,000. The most expensive of these was **MADemoiselle Apple (lot 33)**, a daughter of Crossharbour out of a sister to the excellent APPLE'S JADE and Graded winner APPLE'S SHAKIRA that was knocked down for €35,000. A few lots earlier, he had signed the docket for **GOLD FOR LOUISE (lot 23)**, a daughter of American Devil out of Listed placed GOLD FOR TINA, from the family of Group winner MAX DYNAMITE. She made the second highest price of the sale at €28.000.

Other National Hunt professionals that were also active during the day were Mikaël Mescam, who bought five horses, David Cottin,

Guillaume Macaire, Hugo Merienne, Etienne and Gregoire Leenders, Daniel Allard, Toby Jones, etc.

Following the sale, ARQANA President **Eric Hoyeau** said, «First of all, David Lumet and his team should be congratulated for their perfect organisation and the well thought out presentation of an extremely consistent group of young National Hunt horses. In these turbulent times, it is comforting to see good market activity supported by the major professionals in the discipline and jumps agents.»
