Thomas Roisnet wins best turned out challenge at the Arc Sale

Every year at the Arc Sale, ARQANA recompenses the efforts of the stable staff accompanying the horses during the inspections with best turned out prizes.

A jury of 4 people was present throughout the sale and inspected all the horses, noting the quality of their presentation by their handlers according to the following criteria:

- **Availability:** each horse must be available for viewing at any time of the day;
- **Quality of presentation:** the horse must be standing and held properly as well as be walked in a straight line with an energetic stride;
- **Care in presentation:** this criterion concerns both the horse and the person presenting it.

This year, the three people rewarded were:

- Accompanying **CASH EQUITY** for Ecurie Ludovic Gadbin, **Thomas Roisnet** took the first prize on the podium, winning €500.
- Presenting **BAGHED** for The Channel Consignment, **Jade Courcault** took second place and won €350.
- Accompanying **LAUDERDALE** for Ecurie François Rohaut, **Marie Rohaut** completes the podium, winning €150.

The whole ARQANA team congratulates all the accompanying staff present for their availability and their investment during the Arc Sale.
